

A hand-drawn schematic diagram of a device, labeled 10. The device has a rectangular main body. At the top center is a rectangular component labeled 58. To its right is a horizontal row of three rectangular components, with the middle one labeled 94 and the rightmost one labeled 18. On the right side of the device, there is a vertical column of four circles, with the top one labeled 107, and a vertical rectangular slot labeled 108. At the bottom center is a horizontal rectangular component labeled 98. On the bottom left are two circles, with the left one labeled 107. In the center of the device is a large rectangular area labeled 110, containing a smaller rectangle labeled 24. An arrow labeled 106 points to the top edge of the device. An arrow labeled 112 points to the bottom edge of the device.
